Professional Profile

A dedicated and detail-oriented executive producer with a proven ability to manage all production stages, from pre-production planning and filming to post-production, ensuring seamless execution, timely delivery, and high-quality results. Passionate about crafting narratives that forge lasting connections and elevate brands. I thrive in fast-paced production environments, where I can leverage my strong teamwork, meticulous planning, and creative problem-solving to produce inspiring content that drives meaningful brand impact.

Core Competencies

- Radio & Video Production Management
- Creative Direction & Visual Storytelling
- Budgeting & Project Management
- Post-Production Supervision (Editing, VFX, Sound)
- Team Leadership
- Vendor & Talent Management
- Cross-functional Collaboration
- Excellent Communication
- Video Editing (Using Premiere Pro and After Effects)

Key Projects & Achievements

- Contributed to the production of radio, TV, and digital campaigns for major brands, including Meta AI, Colgate, Chupa Chups, Golden Penny, Mr. Chef, Golden Penny Semovita, and Smartcash**.**
- Supported the production of impactful TVCs in 2024, followed by contributions to 2025 productions for Chupa Chups and Mr. Chef.
- Played a key role in producing engaging digital content that resonates with diverse audiences across multiple platforms.
- Led the development of a digital learning lab on the concept of money: https://rb.gy/2b2or in 2022

Professional Experience

Ogilvy Nigeria | Executive Producer (Sep 2024 – Present)

- Oversee end-to-end video and radio production, managing all pre-production, production, and post-production stages to ensure high-quality deliverables.
- Manage creative direction and budgeting for advertisement projects, coordinating crews of over 15 and managing vendor relationships for 5+ concurrent projects.

- Collaborate with cross-functional teams to align production deliverables with strategic business and marketing objectives.
- Supervise campaign execution to ensure timely delivery and consistency with brand identity and messaging.

Ogilvy Nigeria | Management Trainee, Digital Creative & Strategy (Jul – Aug 2024)

- Conducted market trend research and competitor analysis for 3 major client accounts, which provided actionable insights that shaped campaign strategies.
- Assisted in collecting and analysing account performance data, including key campaign effectiveness metrics.
- Performed social media audits to identify opportunities for optimisation and growth.

Ogilvy Nigeria | Management Trainee, Brand Management (Apr – Jun 2024)

- Supported senior team members in client communications, helping to draft updates and prepare materials for 10+ client review meetings.
- Gathered client requirements, provided project updates, and addressed inquiries under senior guidance.
- Coordinated project logistics, including scheduling, material organization, and deliverable tracking.

Ogilvy Nigeria | Management Trainee, Creative Department (Jan – Mar 2024)

- Collaborated with designers, copywriters, and managers to brainstorm ideas and execute campaigns aligned with client objectives.
- Conducted market research to identify emerging trends and competitor strategies, informing creative development.

Rotadex Investment Limited | Intern (NYSC) (Nov 2022 – Nov 2023)

- Managed internal and external mail dispatch and correspondence registration.
- Handled filing, record-keeping, and operation of office equipment.

Co-Creation Hub (CcHUB) | EdTech Fellow & Team Lead (Aug 2021 – Apr 2022)

- Led a team to design and develop a digital learning simulation, applying human-centred design principles to create engaging educational content.
- Collaborated with subject teachers to create an interactive module on financial literacy for primary school students.
- Developed a functional digital learning lab on the concept of money to enhance instructional delivery through technology.
